"Helping to Alleviate Poverty"

Monies raised by the Tournament have been given to various charities located within the Board's jurisdiction which have a mandate to assist children. Money raised by this year's tournament will be given to the **Algonquin and Lakeshore Catholic Education Foundation (ALCEF)**.

MEETING THE CHALLENGE:

Children living in poverty in our area, face the greatest risk of health problems, difficulties in school and stress-related illnesses. Research clearly indicates that these children are more vulnerable.

The **Algonquin and Lakeshore Catholic Education Foundation** has established the Emergency Response Fund to provide immediate financial assistance to children and their families within our school system. This assistance includes the provision of eyeglasses, medical supplies, food and clothing, transportation and many other financial needs resulting from family crises.

ALCEF is a registered charity under the Income Tax Act.
