London Calling Tour a smashing success

Regiopolis-Notre Dame Catholic High School Senior Band 'London Calling Tour' came to a very successful conclusion. The band was the first Regiopolis-Notre Dame ensemble to perform in Europe and they did it in style, performing at Cadogan Hall, home of the Royal Philharmonic Orchestra. For their outstanding efforts, the ensemble received a Gold Standing, which allows them continued participation in the Heritage Festivals of Gold series. The band enjoyed listening to excellent performances by ensembles from New York and California, and followed this by five days of touring London and surrounding area with our tour guides James and Peter. Highlights included Billy Elliot The Musical, and attractions such as The Tower of London, Windsor Castle and the London Eye.
