Stars help promote literacy and learning

Two stars of the Kingston Frontenacs Hockey Team braved the blowing snow on Wednesday to stop by St. Marguerite Bourgeoys Catholic School to promote literacy and learning in all subject areas. Goalie Lucas Peressini and Assistant Captain Connor McGlynn spoke with Grade 4 and 5 students, and took part in a question and answer session. They also visited a Grade 1 class to read a Christmas story and counted the "How Many?" jar with them. Students were inspired to work hard to achieve their own personal "goals". Thanks Lucas and Conor!
