School choir sings at the Sir John A. Macdonald Bicentennial ceremony

Students from the St. Marguerite Bourgeoys Catholic School Choir performed at the Sir John A. Macdonald Bicentennial celebrations at Kingston City Hall. The choir opened the ceremony with the national anthem, the royal anthem and then, following the unveiling of the newly minted Sir John A. coin, sang Michael Mitchell's "Canada in my Pocket" to the delight of the crowd of VIPs which included the Lieutenant-Governor of Ontario, the Prime Minister, Mayor Paterson and the Presiding Officer of the Scottish Parliament. Student Sarah Furtado helped Mayor Paterson pull the curtain and reveal a newly restored painting of Sir John. It was an exciting day with many great moments. Congratulations to the choir members for their excellent representation of their school community!
