## Student helps "Get Kids In The Game"

Nolan Lalonde, a Gr. 5 student at St. John XXIII Catholic School, is helping "Get Kids In The Game". As a goalie for the Greater Kingston Jr. Frontenacs team, Nolan realized that some kids in the Kingston area are not able to experience the benefits of organized sports. He thought that if kids were able access certain sports equipment, perhaps they may participate in organized sports and activities that they weren't otherwise able to. What started out as a classroom initiative, quickly grew into a school wide initiative of collecting gently used sports equipment for those kids who need it.

The positive response from the school community has prompted Nolan to share his goal of helping to "Get Kids In The Game" with the rest of our Board.
