## Sparks Fly at J.J O'Neill

The J.J. O'Neill Catholic School Community is continuing to build on their health goals. Students gathered together to celebrate the donation of 2 stationary bikes. The Kimmerly Family, from Sports Madhouse, Napanee donated \$2.00 from every sale towards the purchase of a Sparks Fly Stationary Bike. Their generous donation was matched by the Rotary Club who purchased an additional bike. These bikes are silent and have been placed in some of their classrooms to help students improve their concentration and be ready to learn.
