Director's Charity Golf Tournament raises funds for Foundation

The Algonquin and Lakeshore Catholic Education Foundation has once again received a huge financial boost with a donation from the annual Director's Charity Golf Tournament.

Foundation Vice-Chair Kathy Turkington accepted a cheque for $16,900 from Jody DiRocco, Director of Education, at the September 23 Board Meeting.

The 16th Annual Director's Charity Golf Tournament was held at Black Bear Ridge Golf Course in Belleville. There were 113 participants for the event raising $16,900 for the Algonquin and Lakeshore Catholic Education Foundation. The core purpose of the Foundation is to work to alleviate the effects of poverty. The Foundation has established an Emergency Response Fund to provide immediate financial assistance to children and their families within our school system. This assistance includes the provision of eyeglasses, medical supplies, food and clothing, transportation and many other financial needs resulting from family crises.

The Algonquin and Lakeshore Catholic District School Board can take pride in the fact that all funds raised from the event are donated to the Algonquin and Lakeshore Catholic Education Foundation and will help enrich the educational experience of our students and give our students the kind of future we all envision for them. Bob Koubsky, Superintendent of Finance and Business Services, thanked the participants, sponsors, committee members as well as the volunteers who, through their hard work and dedication, have made this event a success over the years.
